BIBLICAL IDEAS OF ATONEMENT

Their History and Significance

By

Ernest DeWitt Burton, John Merlin Powis Smith, and Gerald Birney Smith

THE aim of this book is to set forth the content of the biblical teachings upon the subject of Atonement, and to suggest the point of view from which these conceptions may profitably be studied at the present day. The attitude assumed toward the records throughout is that of historical interpretation rather than of theological systematization. Consequently the effort is to discover precisely what ideas of atonement are reflected by the biblical laws, institutions, and utterances.

A GUIDE TO THE STUDY OF THE CHRISTIAN RELIGION

Edited by GERALD BIRNEY SMITH

Professor of Christian Theology, University of Chicago

The past quarter of a century has seen remarkable growth in theological knowledge and an unusual change in the points of view. Biblical and theological scholars have worked out new methods of studying old subjects which have led to surprisingly fruitful results. The editor of the present volume has compiled a comprehensive survey of this field by twelve well-known scholars.

The contributors are:

The new interpretation of the Hebrew religion regards it as a progressive development closely related to the history, environment, and social and religious affiliation of the people of Israel

The Origin and Growth of the Hebrew Religion

By HENRY THATCHER FOWLER
Brown University

This textbook presents the fascinating story of the genesis of Israel's religion and its long, steady development to the religious idealism of Isaiah, Ezekiel, and Jeremiah. It is so interesting that college students, church classes of adults and young people, and Y.M.C.A. and Y.W.C.A. groups alike will be inspired by it and will delight in studying it.

THE RELIGIONS OF THE WORLD

By GEORGE A. BARTON
Professor of Biblical Literature and Semitic Languages in Bryn Mawr College

Professor Barton's book fills a long-felt need in the field of comparative religion for a collection of facts which are suitable for the general reader. The book deals with the origin, history, and principal teachings of all the great religions. The author points out those characteristics of Christianity which make it destined to be the universal religion, and the result of the study should be a greater respect for all religions with a supreme allegiance to Christianity.

WHAT IS CHRISTIANITY?

A STUDY OF RIVAL INTERPRETATIONS

By GEORGE CROSS
Professor of Systematic Theology, Rochester Theological Seminary

THIS book is a comprehensive survey of the rival interpretations of Christianity. The aim of the author is to assist the intelligent Christian layman and the minister of the gospel who have felt the need of revising their doctrinal inheritance to reach a more satisfactory interpretation of the Christian faith. Realizing the imperativeness of thinking through afresh the essential problems of theology, the author presents in this volume discussions designed to prepare the way for a statement and vindication of the truth of the Christian religion. He expresses the hope that "a survey of the best-known types of the Christian faith will assist the inquiring reader to reach at least a point of view from which his work of formulating a theology for himself may begin."

UNIVERSITY OF CHICAGO SERMONS

By

Members of the University Faculties

Edited by Theodore Gerald Soares

This book contains eighteen sermons delivered by as many leading men from the Faculties of the University of Chicago. In each sermon appears the best thought of a well-known scholar on a particular phase of religious life. The contributors include not only representatives of the biblical and theological departments of the University, but also members of the departments of education, sociology, and philosophy. The combination of modern scholarship and pulpit power makes a volume of religious inspiration for both minister and layman.

Who wrote the New Testament and when and where and how?

This question, which ministers, Sunday-school teachers, and other religious workers have to face many times every year, is discussed in

THE STORY OF THE NEW TESTAMENT

By **EDGAR JOHNSON GOODSPEED**
of the Department of New Testament and Early Christian Literature in the University of Chicago

It presents in a vivid and popular manner the situations out of which the New Testament books arose and the actual conditions of early Christian life which caused the writing of each book, and the manner in which each writer met the problem before him. Professor Goodspeed emphasizes the fact that Christianity did not spring from the New Testament, but the New Testament from Christianity.

A Manual for Writers

By JOHN M. MANLY
Head of the Department of English of the University of Chicago

and JOHN A. POWELL

A book designed to aid authors and all others who are concerned with the writing of English. It aims to answer the practical questions that constantly arise in the preparation of manuscripts for publication, business letters, and any sort of composition where correctness of form is an important element.

It treats in a clear and convenient way the matters of grammar, spelling, and general form about which writers need to be informed, and gives full directions on the preparation of "copy" for the printer and the correcting of proof. The chapter on letter-writing is unique and gives just the help that is constantly wanted and that is not found in other manuals.

The Historicity of Jesus

A criticism of the contention that Jesus never lived, a statement of the evidence for his existence, an estimate of his relation to Christianity

By SHIRLEY JACKSON CASE
Professor of Early Church History and New Testament Interpretation in the University of Chicago

DID Jesus ever live, or is he a mythical personage like the deities of Greece and Rome? To some this may be a startling question. But in recent years his actual existence has been vigorously questioned, and the subject is being given wide notice and discussion. The negative opinion has found supporters in America, England, Holland, France, and Germany. To present a complete and unprejudiced statement of the evidence for Jesus' actual existence is the aim of the author of *The Historicity of Jesus.*

THE EVOLUTION OF EARLY CHRISTIANITY

By SHIRLEY JACKSON CASE, *Professor of Early Church History and New Testament Interpretation in the University of Chicago*

The beginnings of the Christian movement are here studied from a wholly new point of view. By examining the actual religious situation in which the Christians of the first century lived, the author is able to shed fresh light on many parts of the New Testament.

"It is a thoroughly scholarly and satisfactory study of an important period of growth and transition concerning which there has been but little heretofore available for the general reader." —*The Congregationalist.*
